Mr. Hughes,

PlushBeds is hereby granted permission to use the CertiPUR-US® program logo/mark/name in association with products containing certified flexible polyurethane foam as set forth in the *CertiPUR-US® Branding and Style Terms of Use Manual* and its subsequent updates.

Permission is contingent upon continuing use in all covered products of only certified flexible polyurethane foam from a registered producer in good standing, and AFPF reserves the right to rescind permission should these terms be violated.

Thank you for purchasing CertiPUR-US® certified foams from flexible polyurethane foam producers who are registered with the program.

Please let me know if we can be of further assistance.

Sincerely,

Robert Duffy
