

Plushbeds Natural Latex Mattress 25-Year Limited Warranty

Plushbeds Inc. and manufacturer Natural Latex Company, Inc. (herein "Plushbeds, Inc.") warrant that this mattress product will be free from defects in material and workmanship as described in this warranty (hereinafter referred to as the "Limited Warranty").

CONDITIONS OF THE 25 YEAR WARRANTY

This 25-Year Limited Warranty starts on the date of purchase. If a manufacturing or material defect occurs during the first ten (10) years, Plushbeds, Inc. will repair or replace (at Plushbeds, Inc. option) the defective mattress. If replacement is required, Plushbeds, Inc. may substitute materials of equal or higher quality when the like components are not available. If defects such as splitting or cracking occur during normal usage and proper handling, during the remaining fifteen (15) years of this limited warranty, we will, at our discretion, repair the mattress at a handling cost to you, or replace the mattress at a prorated charge to you. During the first year of the remaining fifteen (15) year period, the prorated replacement charge will be fifty (50) percent of the replacement item's purchase price. The prorated charge will increase by three (3) percent increments for each subsequent year of the prorated period, but under no event shall be greater than ninety-nine (99) percent, of the prevailing official retail price, exclusive of transportation cost.

The *Limited Warranty* does not cover the following:

1. The fabric mattress cover if provided.
2. Slight body impressions (less than 1.5 inches),
3. Comfort preference.
4. Transportation charges for return and shipping when necessary.
5. Abuse or unsanitary conditions.
6. When used on an inappropriate foundation or box spring.

Please note that Plushbeds, Inc. reserves the right to refuse service and invalidate this Limited Warranty when the mattress is found to be in unsanitary condition, or when product failure is due to causes other than defective material and/or workmanship.

In the case of our memory foam products this warranty does not include a normal increase in softness of the material or, in the case of our memory foam products, a decrease in the slow recovery feature. These aspects do not affect the pressure-relieving qualities of the foam.

BODY CONTOURING

Your mattress has been constructed with the finest materials. It is designed to conform to a person's individual contour. Your sleeping position may result in "body contouring". This is normal and not a structural defect. SEVERE CONTOURS are impressions which exceed 1.5" (one and a half inches) in depth below the normal level of the product. Severe contours are covered by this Limited Warranty.

The service terms stated in this limited warranty shall be the consumer's sole and exclusive remedy in the event of a product failure during the warranty period. Plushbeds, Inc. shall not be liable for incidental or consequential damages arising out of the use or inability to use this product, or for the breach of this or any other express or implied warranty. Plushbeds Inc. does not warrant that this product is suitable for any person's medical condition. Plushbeds, Inc makes no warranty beyond what is contained in this Limited Warranty herein.
